## **About Big Brothers Big Sisters**

**Big Brothers Big Sisters of America has been changing the lives of children since 1904. We are excited about your interest in enrolling your child as a Little.**

When children and teens have the influence of a caring adult, they are more likely to avoid risky behaviors and to focus on academics. Today's youth face a variety of challenges, and being matched with a Big Brother or Big Sister can help them navigate these challenges and reach their full potential.

### **OUR Vision**

All youth achieve their full potential.

### **OUR Mission**

Create and support one-to-one mentoring relationships that ignite the power and promise of youth.

### **OUR Outcomes**

We partner with parents/guardians, volunteers and others in the community to help children with:

- Higher aspirations, greater confidence, and better relationships
- Avoidance of risky behaviors
- Educational success

### **We Need You to be an Active Partner**

Working together, parents/caregivers, volunteers, and BBBS staff members plan activities and opportunities that can have a powerful and positive impact on your child.

## **BBBS Support - How BBBS Works with You, Your Child, and the Big**

**BBBS works hard to support the relationship between Bigs and Littles. Our goal is for the relationship to be as successful as possible for everyone.** Bigs and Littles communicate with their Match Support Coordinator from their BBBS agency.

It is important for us to speak with all parties every month for the first year of the match. This allows us to provide support, relationship building suggestions, and solutions to possible problems. After the first year, we will continue to contact all parties but on a quarterly schedule. Remember that the Match Support Coordinator's role is to support the match. Consistent, open communication is key.

**Your Match Support Coordinator is an important link between you, your child, the volunteer, and the BBBS agency.**

The Match Support Coordinator can also:

- Find information and resources that matches and families may be interested in
- Connect your family with community resources
- Work with your child's school to help maintain regular school attendance, academic success, and appropriate behavior while in school

- Keep you updated on activities offered by the agency
- Coordinate communication with your child and the volunteer Big
- Help find solutions to conflicts
- Collect surveys from all parties to ensure satisfaction with the match and agency
