

# DECISION MAKING GUIDE

Sometimes decisions are hard! Making a list of pros and cons of your options can be helpful in making big and responsible decisions. Ask your Little to give you an example of a difficult decision they are making or have made in the past. Fill out the guide with them and discuss the pros and cons of each option.

Discussion questions:

1. Is it helpful to write down your options?
2. Was it difficult to list pros and cons?
3. Why is it important to look at the good and bad sides of each option when making a decision?
